

CRS Standard Format

Unlock the power of seamless credit data integration with CRS.

Experience the CRS Advantage

Our platform offers effortless access to all three major bureaus—Equifax, Experian, and TransUnion—through a single, streamlined integration.

Professional Presentation: Enjoy clear and comprehensive credit data PDFs.

Modern Integration: Benefit from our advanced JSON integration for smooth, efficient data handling.

Unified Access

Connect with Equifax, Experian, and TransUnion credit data through one integration.

Standardized Format

Seamlessly switch between bureaus to get the most complete credit profile available.

Comprehensive Coverage

Protect against no-hits by ensuring access to data from all bureaus.

1 All-In-One
Partner

One-stop credit shop

Access all your data sources and services from one trusted partner, including multiple bureaus and expanding data providers.

10x
Faster

Eliminate the wait

Cut approval times from months to days with CRS, a process up to 10 times faster.

20+
Years

Experts by your side

20+ years experience, providing tailored, efficient solutions. Quick onboarding and ongoing support for your success.
