

Experian Business Codes

Code	Description
ATC039	Total number of aged trades
CTB019	Total account balance for combined (newly and continuously reported) trades
JDC008	Total number of judgments filed within 24 months of profile date (excluding Released, Satisfied, Abstract, or Vacated)
NTB019	Total account balance for newly reported trades
NTC032	Total number of newly reported trades
OTB001	Total balance of other trades classified as Finance
OTC006	Total number of other trades classified as Finance
RTB019	Total sum of account balance for regular trades
RTC048	Total number of regular trades
TTB021	Total sum of account balance
TTB022	Total sum of high credit balance
TTB028	Total account balance that is current across all trades
TTB029	Total account balance that is 1-30 DBT across all trades
TTB030	Total Sum of account balance that is 31-60 across all trades
TTB031	Total Sum of account balance that is 61-90 across all trades
TTB032	Total Sum of account balance that is 91+ across all trades
TTC050	Total number of trades
TTP085	Percent of Total trades balance to Total Balance
TTP086	Percent of Total number of trades to Total number of trades
TXB005	Total liability amount for tax liens filed within t 24 months of profile date
TXC008	Total number of tax liens filed within 24 months of profile date
ACC001	Total number of active Trades within the last 12 months
ACC002	Total number of active Trades within the last 6 months
ACC003	Total number of active trades with a payment indicator equal to 1 (the DBT is unknown, compared to the average DBT for that business category)

ACC004	Total number of active trades with a payment indicator equal to (the DBT is five days lower than the average DBT for that business category), excluding inactive trades
ACC005	Total number of active trades with a payment indicator equal to (the DBT is higher than the average DBT for that business category)
ACC006	Total number of active trades with a payment indicator equal to (the DBT is about the same as the average DBT for that business category)
ACC007	Total number of active trades with zero balance
ACC008	Total number of Total trades with zero balance
ATB001	Total balance of aged trades
ATB002	Total balance of aged trades that is 1-30 days delinquent
ATB003	Total balance of aged trades that is 31-60 days delinquent
ATB004	Total balance of aged trades that is 61-90 days delinquent
ATB005	Total balance of aged trades that is 91+ days delinquent
ATB006	Total balance of aged trades that is current
ATB007	Total balance across all aged trades with trade's worst delinquency status = current
ATB008	Total balance across all aged trades with trade's worst delinquency status = 1-30 days past due
ATB009	Total balance across all aged trades with trade's worst delinquency status = 31-60 days past due
ATB010	Total balance across all aged trades with trade's worst delinquency status = 61-90 days past due
ATB011	Total balance across all aged trades with trade's worst delinquency status = 91+ days past due
ATB012	Total balance across all aged trades with trade worst status = current
ATB013	Total balance across all aged trades with trade worst status = 1-30 days past due
ATB014	Total balance across all aged trades with trade's worst status is a derogatory comment (bankruptcy, judgment, lien etc)
ATB015	Total balance across all aged trades with trade's worst status = 31-60 days past due
ATB016	Total balance across all aged trades with trade's worst status = 61-90 days past due
ATB017	Total balance across all aged trades with trade's worst status = 91+ days past due
ATB018	Total highest balance in past 12 months across all aged trades
ATB019	Total balance for aged trades with no reported information within 4 months of the profile date
ATC020	Total number of aged trades
ATC021	Total number of aged trades with trade's worst delinquency status = current
ATC022	Total number of aged trades with trade's worst delinquency status = 1-30 days past due

ATC023	Total number of aged trades with trade's worst delinquency status = 31-60 days past due
ATC024	Total number of aged trades with trade's worst delinquency status = 61-90 days past due
ATC025	Total number of aged trades with trade's worst delinquency status = 91+ days past due
ATC026	Total number of aged trades across all aged trades with trade's worst status = current
ATC027	Total number of aged trades across all aged trades with trade's worst status = 1-30 days past due
ATC028	Total number of aged trades across all aged trades with trade's worst status is a derogatory comment (bankruptcy, judgment, lien etc)
ATC029	Total number of aged trades across all aged trades with trade's worst status = 31-60 days past due
ATC030	Total number of aged trades across all aged trades with trade's worst status = 61-90 days past due
ATC031	Total number of aged trades across all aged trades with trade's worst status = 91+ days past due
ATC032	Total number of aged trades with no reported information within 4 months of the profile date
ATD034	Weighted average DBT of aged trades with no reported information within 4 months of the profile date
ATD035	Maximum DBT of aged trades with no reported information within 4 months of the profile date
ATP036	Percent of Total trade balance to Total highest balance in past 12 months across all aged trades
ATP037	Percent of Total balance of all aged trades to Total balance of Total Trades
ATP038	Percent of Total number of aged trades to Total number of Total Trades
BKB001	Total liability balance for bankruptcy filings
BKB002	Total liability balance for bankruptcies filed within 24 months of the profile date
BKB003	Total liability balance for non-filed bankruptcy actions
BKC004	Total number of bankruptcies filed within 12 months of the profile date
BKC005	Total number of bankruptcies filed within 6 months of the profile date
BKC006	Total number of bankruptcy filings
BKC007	Total number of bankruptcies filed within 24 months of the profile date
BKC008	Total number of non-filed bankruptcy actions
BKO009	Presence of bankruptcies not satisfied, terminated nor released within 24 months of the profile date
BKO010	Age in months of most recent bankruptcy filing
BKO011	Age in months of most recent non-filed bankruptcy action
BRB 1.00	Total asset balance of commercial banking relationships
BRB 2.00	Maximum balance of bank asset relationship within last 6 months
BRB 3.00	Total liability balance of commercial banking relationships

BRB 4.00	Maximum balance of bank liability relationship within last 6 months
BRB 5.00	Total account balance for commercial banking relationships
BRB 6.00	Total account balance for commercial banking relationships reported in the past six months
BRB 7.00	Total account balance for commercial banking relationships reported in the past twelve months
BRC 8.00	Total number of banking asset relationship (checking/saving/currency exchange)
BRC 9.00	Total number of banking liability relationship
BRC 10.00	Total number of commercial banking relationships
BRC 11.00	Total number of commercial banking relationships reported in the past six months
BRC 12.00	Total number of commercial banking relationships reported in the past twelve months
BRC 13.00	Total number of asset-based commercial banking relationships Includes checking accounts, savings accounts, merchant bank cards, and currency exchange
BRC 14.00	Total number of bank loan relationships Includes borrower, line of credit, SBA loan, asset based loan, private loan, retail loan, receivables financing
BRO015	Age in months of newest commercial banking relationship
BRO016	Age in months of oldest commercial banking relationship
BRO017	Average age in months of commercial banking relationships
BRP018	Percentage of Total asset balance of commercial banking relationships to Total trade balance
BRP019	Percentage of Total liability balance of commercial banking relationships to Total trade balance
BRP020	Percentage of Total balance of commercial banking relationships to Total balance of trades
BRP021	Percentage of Total number of commercial banking asset relationships to Total number of trades
BRP022	Percentage of Total number of commercial banking liability relationships to Total number of trades
BRP023	Percentage of Total number of commercial banking relationships to Total number of trades
CLB001	Total amount placed for open and closed unpaid collections
CLB002	Total amount placed for open and closed collection trades
CLB003	Total amount collected for open and closed collection trades
CLB004	Total amount collected for open collection trades
CLB005	Maximum amount collected on any collection trade
CLC006	Total number of open or closed unpaid collection trades
CLC007	Total number of open collections placed within 12 months of profile date
CLC008	Total number of open collections placed within 6 months of profile date

CLC009	Total number of open and closed collections placed within 6 months of profile date
CLC010	Total number of open and closed collection trades
CLC011	Total number of open and closed collection trades placed within 12 months of the profile date
CLC012	Total number of open and closed collection trades placed within the last 24 months of the profile date
CLC013	Total number of open collection trades
CLO014	Age in months of most recent collection trade
CLO015	Age in months of most recent open collection trade
CLP 16	Ratio of Total amount placed for unpaid collections to Total trade balance
CLP 17	Percentage of Total number of open collections to Total number of collections
CLP 18	Ratio of Total number of open collections to Total number of trades
CLP 19	Percentage of Total number of open or closed unpaid collections to Total number of collections
CTB001	Total balance of combined trades
CTB002	Total balance of combined trades that is 1-30 days delinquent
CTB003	Total balance of combined trades that is 31-60 days delinquent
CTB004	Total balance of combined trades that is 61-90 days delinquent
CTB005	Total balance of combined trades that is 91+ days delinquent
CTB006	Total balance of combined trades that is current
CTB007	Total balance of combined trades where worst delinquency = current
CTB008	Total balance of combined trades where worst delinquency = 1-30 days
CTB009	Total balance of combined trades where worst delinquency = 31-60 days
CTB010	Total balance of combined trades where worst delinquency = 61-90 days
CTB011	Total balance of combined trades where worst delinquency = 91+ days
CTB012	Total balance of combined trades where worst status = current
CTB013	Total balance of combined trades where worst status = 1-30 days
CTB014	Total balance of combined trades where worst status is a derogatory comment (bankruptcy, judgment, lien, etc)
CTB015	Total balance of combined trades where worst status = 31-60 days
CTB016	Total balance of combined trades where worst status = 61-90 days
CTB017	Total balance of combined trades where worst status = 91+ days
CTB018	Total highest balance in past 12 months across all combined trades

CTC021	Total number of combined trades
CTC022	Total number of combined trades where worst delinquency = current
CTC023	Total number of combined trades where worst delinquency = 1-30 days
CTC024	Total number of combined trades where worst delinquency = 31-60 days
CTC025	Total number of combined trades where worst delinquency = 61-90 days
CTC026	Total number of combined trades where worst delinquency = 91+ days
CTC027	Total number of combined trades where worst status = current
CTC028	Total number of combined trades where worst status = 1-30 days
CTC029	Total number of combined trades where worst status is a derogatory comment (bankruptcy, judgment, lien etc)
CTC030	Total number of combined trades where worst status = 31-60 days
CTC031	Total number of combined trades where worst status = 61-90 days
CTC032	Total number of combined trades where worst status = 91+ days
CTC033	Total number of combined trades with DBT greater than 0
CTC034	Total number of combined trades with DBT greater than 30
CTC035	Total number of combined trades with DBT greater than 60
CTC036	Total number of combined trades with DBT greater than 90
CTD038	DBT of combined trades
CTP039	Percentage of Total combined balance to combined trades Total highest balance in past 12 months
CTP040	Percentage of Total balance of combined trades to Total trade balance
CTP041	Percentage of Total number of combined trades to Total number of trades
DMO003	Business type code: C = Corporation, F = Fortune 1000, H = Chain Store, I = Institutions, N = Non-Profit, P = Partnership, R = Residential (Cottage), S = Sole Proprietor, X = S Corporation, Y = Corporation, Blank = Not Available
DMO009	Date the first trade lines were contributed and the file was created within Experian's database
DMO013	SIC (Standard industrial classification) code assigned by the government for a company's primary business activity
IQC001	Total number of inquiries in the last nine full months
IQC002	Total number of inquiries in the last six full months
IQC003	Total number of inquiries in the last three full months
JDB001	Total amount of judgments filed within 12 months of profile date (Excluding Release, Satisfied, Abstract, or Vacate)
JDB002	Total amount of judgments filed within 24 months of profile date (Excluding Release, Satisfied, Abstract, or Vacate)
JDB003	Total amount of judgments filed within 6 months of profile date (Excluding Release, Satisfied, Abstract, or Vacate)

JDB004	Total liability amount for original judgments filed
JDB005	Total liability amount for judgments (including satisfied, released, etc) filed within the last 24 months of profile date
JDB006	Total liability amount for non-filed judgment actions
JDC007	Total number of judgment filed within 12 months of profile date (Excluding Release, Satisfied, Abstract, or Vacate)
JDC009	Total number of judgment filed within 6 months of profile date (Excluding Release, Satisfied, Abstract, or Vacate)
JDC010	Total number of original judgments filed
JDC011	Total number of judgments (including satisfied, released, etc) filed within 24 months of profile date
JDC012	Total number of non-filed judgment actions
JDO013	Age in months of most recent filed judgment
JDO014	Age in months of most recent non-filed judgment action
JDP015	Percentage of Total judgment amount filed with 12 months to Total balance
JDP016	Percentage of Total judgment amount filed with 24 months to Total balance
JDP017	Percentage of Total judgment amount filed with 6 months to Total balance
LGC002	Total number of legal filings (bankruptcies, tax liens, and judgments) in past 12 months
LGC003	Total number of legal filings (bankruptcies, tax liens, and judgments) in past 6 months
LGC004	Total number of legal filings Includes bankruptcies, tax liens, and judgments
LSB001	Total original amount for all leasing trades
LSB002	Total amount due on next scheduled payment (excluding late payments & charges) for leasing trades with a scheduled amount due
LSB003	Total amount due on next scheduled payment (including late payments & charges) for leasing trades with a scheduled amount due
LSB004	Total amount past due for leasing trades that have an amount outstanding which has exceeded the final due date by at least 1 day
LSB005	Total remaining balance due for leasing trades with a remaining balance due (including interest)
LSB006	Maximum original amount for a leasing trade
LSB007	Maximum amount due on next scheduled payment (excluding late payments & charges) for leasing trades with a scheduled amount due
LSB008	Maximum amount due on next scheduled payment (including late payments & charges) for leasing trades with a scheduled amount due
LSB009	Maximum remaining balance due for leasing trades with a remaining balance due (including interest)
LSC010	Total number of leasing trades

LSC011	Total number of leasing trades with variable terms
LSC012	Total number of leasing trades with quarterly, semi-annual, or annual payments
LSC013	Total number of leasing trades with satisfactory payment
LSC014	Total number of leasing trades with slow pay or derogatory comment codes
LSC015	Total number of vehicle leasing trades
LSC016	Total number of office equipment leasing trades
LSC017	Total number of capital, operating, or finance leasing trades
LSC018	Total number of leasing trades with a term between 1 and 12 months
LSC019	Total number of leasing trades with a term between 13 and 24 months
LSC020	Total number of leasing trades with a term between 15 and 60 months
LSC021	Total number of leasing trades with a term greater than 60 months
LSC022	Total number of leasing trades with a current scheduled amount due (excluding late payments & charges)
LSC023	Total number of leasing trades with a current scheduled amount due (including late payments & charges)
LSC024	Total number of leasing trades that have an amount outstanding which has exceeded the final due date by at least 1 day
LSC025	Total number of leasing trades with a remaining balance due (including interest)
LSC026	Total number of leasing trades with one or more payments that are current during the lease term to date
LSC027	Total number of leasing trades with one or more payments made 1-30 days late during the lease term to date
LSC028	Total number of leasing trades with one or more payments made 31-60 days late during the lease term to date
LSC029	Total number of leasing trades with one or more payments made 61-90 days late during the lease term to date
LSC030	Total number of leasing trades with one or more payments 91+ days late during the lease term to date
LSC031	Total number of late payments for leasing trades extracted within the last 6 months of the profile date
LSC032	Total number of current payments for leasing trades extracted within the last 6 months of the profile date
LSC033	Total number of outstanding payments, overdue by at least one day, for leasing trades extracted within the last 6 months of the profile date
LSP034	Percentage of Total Amount of Leasing trades to Total balance of trades
LSP035	Percentage of Total number of Leasing trades to Total number of trades
NTB001	Total balance of new trades
NTB002	Total balance of new trades that is 1-30 days delinquent
NTB003	Total balance of new trades that is 31-60 days delinquent
NTB004	Total balance of new trades that is 61-90 days delinquent

NTB005	Total balance of new trades that is 91+ days delinquent
NTB006	Total balance of new trades that is current
NTB007	Total balance of new trades where worst delinquency = current
NTB008	Total balance of new trades where worst delinquency = 1-30 days
NTB009	Total balance of new trades where worst delinquency = 31-60 days
NTB010	Total balance of new trades where worst delinquency = 61-90 days
NTB011	Total balance of new trades where worst delinquency = 91+ days
NTB012	Total balance of new trades where worst status = current
NTB013	Total balance of new trades where worst status = 1-30 days
NTB014	Total balance of new trades where worst status is a derogatory comment (bankruptcy, judgment, lien etc)
NTB015	Total balance of new trades where worst status = 31-60 days
NTB016	Total balance of new trades where worst status = 61-90 days
NTB017	Total balance of new trades where worst status = 91+ days
NTB018	Total highest balance in past 12 months across all new trades (Note: for trades reported by new contributors, highest balance reported by contributor may go back 12 months)
NTC020	Total number of new trades
NTC021	Total number of new trades where worst delinquency = current
NTC022	Total number of new trades where worst delinquency = 1-30 days
NTC023	Total number of new trades where worst delinquency = 31-60 days
NTC024	Total number of new trades where worst delinquency = 61-90 days
NTC025	Total number of new trades where worst delinquency = 91+ days
NTC026	Total number of new trades where worst status = current
NTC027	Total number of new trades where worst status = 1-30 days
NTC028	Total number of new trades where worst status is a derogatory comment (bankruptcy, judgment, lien etc)
NTC029	Total number of new trades where worst status = 31-60 days
NTC030	Total number of new trades where worst status = 61-90 days
NTC031	Total number of new trades where worst status = 91+ days
NTD034	DBT of new trades
NTD035	Maximum DBT of any new trade

NTP036	Percentage of the Total balance of new trades to the Total highest balance of new trades in the past 12 months (Note: for trades reported by new contributors, highest balance reported by contributor may go back 12 months)
NTP037	Percentage of Total balance of new trades to Total trade balance
NTP038	Percentage of Total number of new trades to Total number of trades
NTP039	Ratio of Total acct bal to Total highest acct bal prior 12 mos, new trades rptd within 6 mos of profile date
OTB002	Total balance of other trades classified as Leasing
OTB003	Total balance of other trades classified as Supplemental
OTB004	Total balance of other trades classified as Telecom
OTB005	Total balance for additional trades (leasing, supplemental, telecomm and unknown, etc) reported within the last 4 months of the profile date
OTC007	Total number of other trades classified as Leasing
OTC008	Total number of other trades classified as Supplemental
OTC009	Total number of other trades classified as Telecom
OTC010	Total number of other trades (leasing, supplemental, telecomm and unknown)
OTC011	Total number of additional trades (leasing, supplemental, telecomm and unknown, etc) reported within 4 months of the profile date
OTD012	Weighted average DBT of additional trades (leasing, supplemental, telecomm and unknown, etc) reported within the last 4 months of the profile date
OTD013	Maximum DBT of additional trades (leasing, supplemental, telecomm and unknown, etc) reported within the last 4 months of the profile date
OTP014	Percentage of Total balance of other trades classified as Finance to Total balance of Total Trades
OTP015	Percentage of Total number of other trades classified as Finance to Total number of trades
OTP016	Percentage of Total balance of other trades classified as Leasing to Total balance of Total Trades
OTP017	Percentage of Total number of other trades classified as Leasing to Total number of trades
OTP018	Percentage of Total balance of other trades classified as Supplemental to Total balance of Total Trades
OTP019	Percentage of Total number of other trades classified as Supplemental to Total number of trades
OTP020	Percentage of Total balance of other trades classified as Telecom to Total balance of Total Trades
OTP021	Percentage of Total number of other trades classified as Telecom to Total number of trades
PRO001	Age in months of most recent public record filed within the last 24 months of profile date
PRO002	Age in months of oldest public record filed with the last 24 months of profile date
PRO003	Average age in months of public records filed within the last 24 months of profile date

RTB001	Total balance of continuous trades
RTB002	Total balance of continuous trades that is 1-30 days delinquent
RTB003	Total balance of continuous trades that is 31-60 days delinquent
RTB004	Total balance of continuous trades that is 61-90 days delinquent
RTB005	Total balance of continuous trades that is 91+ days delinquent
RTB006	Total balance of continuous trades that is current
RTB007	Total balance of continuous trades where worst delinquency = current
RTB008	Total balance of continuous trades where worst delinquency = 1-30 days
RTB009	Total balance of continuous trades where worst delinquency = 31-60 days
RTB010	Total balance of continuous trades where worst delinquency = 61-90 days
RTB011	Total balance of continuous trades where worst delinquency = 91+ days
RTB012	Total balance of continuous trades where worst status = current
RTB013	Total balance of continuous trades where worst status = 1-30 days
RTB014	Total balance of continuous trades where worst status is a derogatory comment (bankruptcy, judgment, lien etc)
RTB015	Total balance of continuous trades where worst status = 31-60 days
RTB016	Total balance of continuous trades where worst status = 61-90 days
RTB017	Total balance of continuous trades where worst status = 91+ days
RTB018	Total highest balance in past 12 months across all continuous trades
RTB020	Total balance for continuous trades, current month
RTB021	Total balance for trades that were continuous 1 month prior to profile date
RTB022	Total balance for trades that were continuous 2 months prior to profile date
RTB023	Total balance for trades that were continuous 3 months prior to profile date
RTB024	Total balance for trades that were continuous 4 months prior to profile date
RTB025	Total balance for trades that were continuous 5 months prior to profile date
RTB026	Average balance that is current over the past 6 months for continuous trades
RTB027	Average balance that is 1-30 days delinquent over the past 6 months for continuous trades
RTB028	Average balance that is 31-60 days delinquent over the past 6 months for continuous trades
RTB029	Average balance that is 61-90 days delinquent over the past 6 months for continuous trades
RTB030	Average balance that is 91+ days delinquent over the past 6 months for continuous trades

RTB031	Total balance for continuous trades for current quarter
RTB032	Total balance for trades that were continuous 1 quarter prior to profile date
RTB033	Total balance for trades that were continuous 2 quarters prior to profile date
RTB034	Total balance for trades that were continuous 3 quarters prior to profile date
RTB035	Total balance for trades that were continuous 4 quarters prior to profile date
RTC036	Total number of continuous trades
RTC037	Total number of continuous trades where worst delinquency = current
RTC038	Total number of continuous trades where worst delinquency = 1-30 days
RTC039	Total number of continuous trades where worst delinquency = 31-60 days
RTC040	Total number of continuous trades where worst delinquency = 61-90 days
RTC041	Total number of continuous trades where worst delinquency = 91+ days
RTC042	Total number of continuous trades where worst status = current
RTC043	Total number of continuous trades where worst status = 1-30 days
RTC044	Total number of continuous trades where worst status is a derogatory comment (bankruptcy, judgment, lien etc)
RTC045	Total number of continuous trades where worst status = 31-60 days
RTC046	Total number of continuous trades where worst status = 61-90 days
RTC047	Total number of continuous trades where worst status = 91+ days
RTC049	Total number of continuous trades with current DBT's
RTC050	Total number of continuous trades with DBT's 1-30 days
RTC051	Total number of continuous trades with DBT's 31-60 days
RTC052	Total number of continuous trades with DBT's 61-90 days
RTC053	Total number of continuous trades with DBT's 91+ days
RTC054	Total number of continuous trades with derogatory comments
RTD059	DBT of continuous trades
RTD060	DBT of continuous trades, current month
RTD061	DBT of trades that were continuous 1 month prior to profile date
RTD062	DBT of trades that were continuous 2 months prior to profile date
RTD063	DBT of trades that were continuous 3 months prior to profile date
RTD064	DBT of trades that were continuous 4 months prior to profile date

RTD065	DBT of trades that were continuous 5 months prior to profile date
RTD067	Maximum DBT of any continuous trade
RTD068	DBT of continuous trades, current quarter
RTD069	DBT of trades that were continuous 1 quarter prior to profile date
RTD070	DBT of trades that were continuous 2 quarters prior to profile date
RTD071	DBT of trades that were continuous 3 quarters prior to profile date
RTD072	DBT of trades that were continuous 4 quarters prior to profile date
RTO077	Average monthly change in DBT for continuous trades over the six months prior to the profile date
RTO079	Average quarterly change in DBT for continuous trades over the five quarters prior to the profile date
RTP081	Percentage of Total continuous trades balance to continuous trades Total highest balance in past 12 months
RTP082	Percentage of Total balance of continuous trades to Total trade balance
RTP083	Percentage of Total number of continuous trades to Total number of trades
RTP086	Ratio of Total account balance to Total highest account balance ever, for continuous trades that are newly reported within six months of the profile date
TTB001	Total balance for bad trades
TTB002	Total balance for good trades
TTB003	Total balance of Total trades
TTB004	Total balance of Total trades that is 1-30 days delinquent
TTB005	Total balance of Total trades that is 31-60 days delinquent
TTB006	Total balance of Total trades that is 61-90 days delinquent
TTB007	Total balance of Total trades that is 91+ days delinquent
TTB008	Total balance of Total trades that is current
TTB009	Total balance of Total trades where worst delinquency = current
TTB010	Total balance of Total trades where worst delinquency = 1-30 days
TTB011	Total balance of Total trades where worst delinquency = 31-60 days
TTB012	Total balance of Total trades where worst delinquency = 61-90 days
TTB013	Total balance of Total trades where worst delinquency = 91+ days
TTB014	Total balance of Total trades where worst status = current
TTB015	Total balance of Total trades where worst status = 1-30 days
TTB016	Total balance of Total trades where worst status is a derogatory comment (bankruptcy, judgment, lien etc)

TTB017	Total balance of Total trades where worst status = 31-60 days
TTB018	Total balance of Total trades where worst status = 61-90 days
TTB019	Total balance of Total trades where worst status = 91+ days
TTB020	Total highest balance in past 12 months across all Total Trades
TTB023	Maximum account balance that is current across all trades
